ROGERS' LIVERWORT AND TAR OR THE COMPLETE CURE OF COUGHS, COLDS, P INFLUENZA, ASTHMA, BRONCHITIS, SPITTING OF BLOOD, AND ALL OTHER LUNG COMPLAINTS

TENDING TO CONSUPATION.

IF This preparation is getting into use all over our country. The numerous letters we receive from our various agents intorming us of cures effected, in their immediate neighbor. Intorming us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best COUGH MEDICINE now before the public. It almost invariably relieves and not infrequently cures the very worst cases. When all other Cough preparations have failed, this has relieved the patient, as Druzgests, dealers to Medicines, and Physicians can testify. Ask the Agent in your hearest town, what has been his experience of the effects of this medicine. If he has been selling a forany te gth attance he will tell you If Is THE BEST MEDICINE EXTANT.

Below we give a few extracts from letters we have received lately regarding the virtues of the MEDICINE.

Dr. S. S. Oslin, of Knoxville, Ga., says: "I have been using your LIVERWORT and TAR very extensively in my practice for three years past, and, it is with pleasure I state my belief in ITS SUPERIORITY OVER AET. OTHER AET! CLES with which I am acquainted, for which it is recom-CLES with which I am acquainted, for which it is reco-

mended."

Messrs, Fitzgerald & Benners, writing from Waynesville,
N. C. say: "The LifvERWORT and Fart is becausing daily
more popular in this country, and we think justly so. All
who have tried it speak in commendable terms of it, and—ay
it is very beneficial in alleviating the complants for which it
is recommended."

Our Agent in Pickens District, S. C., Mr. S. R. McPatt, arsures us "that he uses it with great benefit by his own minity." our Agent in Pickens District, S. C., Sir. S. K. Mcrait, assures us "that he uses it with great benefit in his own munity, and recommends it to his neighbors," He gives in instance of a Negro woman, in his vicinity, who had been saffering with disease of the Lungs for years, attended with severe cough, who was relieved by the Liverwart and Tar.

Such are the good reports we hear of this Mesissian from sale are the good the ports we near of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering patient to read the pamphlet which accompanies eath belife. To all, we say, have hope, have hope the MEDICINE!

BE WARNED IN SEASON And neglect not that cough which is daily weakening your constitution, irritating your throat and lungs, and inviting on that dread disease. Consumption, when so soothing and Healing are medy can be obtained as Dr. Rogers' Syrup Livers out and Tac.

Sympathetic Nervous Affections attendant on Pregnancy.

Much of the suffering attendant upon the lives of females at the present day may be traced to some slight improdence or neglect during some critical period of their peculiar seasons, causing obstructions, irregularity, &c., which, if not relieved, gradually weakens and deranges the system, and by sympathy induces those chronic forms of discase—Consamption, Dropsy, Dyspepsia, &c.—which either hurry them to an early grave or render them invalids for life.
